## CITIZENS OF SIDNEY AND NORTH SAANICH RECEIVE INFORMATION ON GREAT VICTORY WAR LOAN

**Local Victory Bond Committee Had Charge of Arrangements of Big Public Demonstration Held in Berquist Hall on Wednesday Evening.**

The Victory Loan demonstration in Berquist Hall last night was an unequalled success, and the audience which numbered well over two hundred went away quite satisfied that the committee had spared no efforts to bring about this satisfactory result. From the opening number, "O Canada," which the audience honored by standing, till the final bars of the National Anthem everything went off with a flourish.

The purpose of the demonstration was to introduce to North Saanich and Sidney the benefits, from a patriotic and financial point of view, of Canada's Victory Loan. The former part was taken by Mr. J. B. Warnicker, of Victoria, who in a short but pithy address laid before the audience the necessity of helping in a financial way to back up the efforts of the boys at the front. The business side of the question was put up by Mr. Kenneth Ferguson, also from Victoria, who in an able and lucid talk of a few minutes duration clearly explained the material side of the Victory Loan issue and no one interested went away without knowing fully the best method of buying the bonds of the different maturities.

The chairman, Col. V. S. Lazard, in his opening remarks took his usual highly patriotic stand and filled the position with pleasure to the audience and honor to himself. After the audience had sang "O Canada," Miss Eva Hart was called upon and her choice for her first number was "The Minstrel Boy," and for an encore she sang "The Last Rose of Summer." Miss Hart is too well known as a finished artist for us to add anything to her reputation, but the opinion was freely expressed that last evening she excelled herself.

Mr. Douglas Horth was received with popular acclamation as he mounted the platform, and this was repeated after he had sang "Friend of Mine," and as an encore "Sing Me the Songs of Araby."

Mrs. C. F. Williams recited "The Gramophone" in a very artistic and pleasing manner and she was well received by the audience. Mrs. Leiser, of Victoria, sang as her first number "The End of a Perfect Day," and as an encore "I Love You." Miss Margaret Bowman pleased the audience with "My Ain Folk" and "Wake Up," as an encore. All the artists were warmly received and given hearty applause.

Miss Morris acted as accompanist and Mrs. Whiting entertained the audience previous to the opening at 8 p. m.

Mr. A. O. Wheeler, in moving a vote of thanks to the chairman and those taking part on the programme as well as all who had so kindly helped to make the affair a success, touched on his pleasure at hearing the patriotic address of His Excellency at the Canadian Club luncheon in Victoria. Mr. S. A. Kelly seconded the motion which was received with much enthusiasm.

The committee, which is composed of Messrs. S. A. Kelly, chairman, W. H. Dawes, secretary, W. D. Byers, A. O. Wheeler and J. J. White, great credit is due for a very pleasant and patriotic evening.

### WORK OF EXPERIMENTAL FARMS.

For the convenience of specialists, farmers and others interested in the different lines of agriculture dealt with in the three-volume annual report of the Dominion Experimental Farms, the several subjects have been issued in pamphlet form. These include the reports of the Dominion Animal Husbandman, of the Dominion Cerealists, of the Dominion Horticulturist, of the Supervisor of Illustration Stations, of the Dominion Apiarist and of the Dominion Tobacco Husbandman. Any of these reports can be had on application to the Publications Branch, Department of Agriculture, Ottawa.

### EXEMPTION BOARD SENDS TEN MEN FROM SIDNEY DISTRICT

The members of the local Exemption Tribunal have been kept fairly busy attending to their duties since they assumed office a couple of weeks ago, some fifty cases having come before them for examination.

Of this number ten applications for exemption were disallowed and the men ordered to report at headquarters for duty. Twenty-three were allowed conditionally on account of many of them occupying positions on farms and in industries that it was essential to keep going. Should any of these quit their present occupation during the time of extension and go to other work they will have to report to the tribunal who will take action thereon and very likely order them to report for duty.

Twelve others whose names appeared before the tribunal were given an extension of time until the men in their medical category were called up, and four cases were adjourned awaiting the arrival of medical certificates.

### DON'T FORGET THE RED CROSS MILITARY FIVE HUNDRED.

The Military Five Hundred party, which was postponed from last Monday will take place in Berquist Hall on Monday, November 26th, at 8 p. m. sharp. It is imperative that all are present at the time stated in order that the game get under way on time.

The drawing for the ton of coal will take place during the evening, tickets for which can be purchased at the Sidney Drug Store or the Sidney Hotel. The total net proceeds of the five hundred and the total receipts of the drawing will be handed over to the Red Cross Fund.

### PHOTOGRAPHS WANTED.

The officer in command of the Canadian War Records has asked us to make known that it is desired to compile a complete history in Photograph of the Canadian's share in the war, in the

same way that all our belligerent countries are compiling similar records.

It is particularly desired to obtain photographs of all officers, N. C. O's. and men who have served or are now serving in the Overseas Military Forces of Canada, and it is requested that an appeal should be made to this end through these columns. All officers and other ranks may find it difficult to send in their photographs and their relatives are therefore especially appealed to, to send in their photographs for them.

By preference the photographs should be unmounted and printed on bromide paper in order to ensure permanence. Each photograph should be accompanied by a concise record, not exceeding two or three hundred words of the subject's military career, including date of enlistment, promotions, distinctions and so on, as this will greatly assist in obtaining a full and accurate account of all concerned.

In addition it is desired to collect all photographs dealing with the mobilization, training and departure of troops together with pictures illustrating reviews, sports, presentations, etc. Any photograph of this nature is regarded as a document of historical importance and it is hoped that the possessors of all such photographs will deem it their duty to send either the originals or copies, which will be ultimately placed in the permanent public archives of the Dominion.

All photographs will be acknowledged and should be addressed to the officer in command Canadian War Records, 11 Clifford St., Bond St, London, W.I., England.

### A NEW PRIVILEGE.

The following announcement has been made from Ottawa:—The Finance Minister of Canada has issued a new instruction in connection with the Victory Bonds, which will be of much benefit and importance to many small investors. He has decided to grant the privilege of the registration of all bonds that is to say, that bonds of all denominations, including the \$50 bond, may be registered as to principal and interest.

In previous loans the privilege of registration was necessarily confined to bonds of large denomination, such as \$1,000 bonds or more. Bonds of lower denominations were issued as bearer bonds, with coupons attached, and while carrying equal benefits as to principal and interest were liable to being lost by the owners. Under the privilege now given by the Finance Minister, the buyer of any bond, whatever the denomination, may have it registered, in which case the interest will be paid by cheque, and the bond, if lost, may be replaced after proper evidence has been shown.

It is believed that this privilege will be greatly appreciated by many thousands of small investors, who will thus be assured of the absolute safety of their investment even against fire or carelessness or any other accidental cause of loss. This improvement in the issue will involve extra work upon the Department of Finance, but Sir Thomas White considers that its benefits will more than offset the labor involved.

### ADDRESS TO CHILDREN POSTPONED

The Victory Loan Committee announce that the visit of Mr. Wheeler and Mr. Kelly to the public schools of the district has been cancelled, as it has been found that time will not allow them to take place. However, arrangements are being made and a date will be announced in the near future when Mr. Wheeler will show some new war pictures with his lantern. These pictures will not only be of interest to the children but to older people as well. The object also will appeal to everybody as it will be in aid of the soldiers and sailors of the great war.

### DANCING CLASS POSTPONED.

The B. C. Academy of Music dancing class conducted by Mrs. Shaw in Berquist Hall every second Saturday afternoon, has been postponed to Saturday, December 1st, instead of Saturday November 24th, the regular date. Mrs. Shaw is very sorry to disappoint her class in Sidney but circumstances have arisen that prevent her coming to Sidney on November 24th.

## WOMEN SHOULD REGISTER NAMES

**LISTS FOR DOMINION ELECTIONS NOW BEING PREPARED BY ENUMERATORS.**

No less than three candidates have entered the field in the Dominion election contest to be held on December 17, for the Nanaimo riding. Mr. John Charles McIntosh, of Esquimalt, is the choice of the Unionist convention recently held at Duncan, while Mr. Joseph Taylor, also of Esquimalt, is the representative selected by the B. C. Federation of Labor. The third candidate is Mr. Hector Allan Stewart, of Tyee Sid-ing, B. C.

On account of the law which recently came into force giving the franchise to the mothers, wives, sisters and daughters of those forming the overseas forces, it has been found necessary to make a new list of voters for this election, and in connection with this A. E. Moore has been appointed enumerator for the Sidney polling division and Mr. Alex. McDonald for the polling division of Deep Cove.

In making up these lists many of the names have been copied from the Provincial voters' lists and it is quite possible that some may have been overlooked. Then again it is very difficult for the enumerators to put the names of women entitled to vote on the lists, as they do not know their Christian names and just who is entitled to vote. It will therefore be necessary for all such desiring to use the franchise extended them to call upon the enumerators and register their names. The enumerator's office, in the Sidney Review block, will be open every day, except Sunday, from 9 a. m. till 5 p. m. All electors are requested to examine the lists when posted on December 1st.

### CHINESE BURGLAR ARRESTED BY POLICE CONSTABLE GILBERT

A Chinaman who is thought to be well known in Vancouver, and who had arrived in this district recently seeking "fresh fields and pastures new," was arrested last Sunday night by Provincial Police Constable Gilbert charged with having stolen goods in his possession.

The goods in question consisted of half a case of salmon and four pair of shoes, and these articles have since been identified. He was also found to be in possession of a bunch of skeleton keys.

The arrest of this suspect will no doubt throw some light upon the fact that the boot and shoe store of Mr. Robert Sloan was broken into on two occasions recently and a number of pairs of boots taken.

### A SALE OF WORK.

The annual sale of work, under charge of the St. Andrew's Woman's Auxillary, will be held in Berquist Hall on Thursday, November 29th, at 3 p. m. The stalls will be: Fancy work, apron and plain work and home cooking. There will be also an attractive fish pond out of which very good value may be caught. One of the attractions this year at the fancy work stall will be knitting and work bags, so much needed in these days. Tea will be served during the afternoon and a musical programme will be given.

## SAVING FOR VICTORY LOAN.

Every citizen is probably ready to accept the abstract principle that the practice of thrift and economy, with the object of accumulating the wherewithal for purchasing war bonds, is good for his compatriots; but not all of us have applied that principle to our personal affairs to the extent that is desirable. It may not then be out of place to briefly outline practicable methods of saving by which each one may get together some additional dollars or hundreds of dollars for the admirable purpose of lending to the Government. When the way is thus plainly chartered, refusal to take it is more likely to involve us in trouble with our respective consciences.

The expenditures of individual income producers are mainly under the following heads: rents, board, or interest on mortgages; semi-capital outlay on such things as house furniture, pianos, victrolas, motor cars, etc.; wages paid to domestic or personal servants; provisions, amusements and the outlay on tobacco, beer and spirits; holidays or vacation. Probably if any of us sit down and severely analyze the personal expenditures as above classified, we should find a field for war loan savings under several of the heads. In view of the urgency of the Allies' need of funds it is essential that everyone overhaul the expense account with the object of saving every possible dollar for supporting our great cause. It has become bad form during the past three years to give ostentatious or expensive entertainments and social functions; and similarly our amusements, recreations, holidayings, have taken on a soberer aspect. A certain amount of expenditure in this time is necessary in order to sustain health and maintain productive capacity. It is for each one of us to say to his conscience that his outlay for such purposes cannot be further reduced without injury to health or impairment to energy. If we cannot say this, there is only one thing to do—and that is to apply the knife and divert the salvaged funds into the war loans. As regards the outlay on provisions and the expenditure on tobacco, beer, whiskey, wine, etc., we should have the courage to apply the same rule. In the cases of the poor and of people of moderate means, the high prices have already forced them to practice the severest economy in connection with their expenditure for provisions—but the well to do and the rich can, in some instances, do good service to their country and mankind through further regulation of the kind referred to.

To get good results and to make healthy or satisfactory "recoveries" from the expense account, which will be available for war loan subscriptions it is necessary to have the hearty co-operation of the female members of the family. In many households it is the case that the women are more enthusiastic savers than the men and far more ready to cut out the expenditure on non-essentials; and in the household where they will spend money freely for the things that they could do without, it is probable because they do not realize the grave issues that are at stake, and the great importance of having every family conserve its monetary resources.

Self-denial in the matter of buying new furniture, pianos, autos, etc., if generally or universally practised would give the Finance Minister many additional millions of dollars for carrying on the war. With respect to automobiles used for pleasure it is not only the capital expenditure that is lost to the national expenditure, but also the cost of operating or running the cars.

A careful analysis in each individual case of the several subdivisions of personal expenditures, if undertaken in the right spirit by a million Canadian families, might lead to the provision of an extra \$100,000,000 in the course of a year for war purposes.

## Why does Canada Raise Money by Selling Bonds?

**B**ONDS are issued payable in ten or twenty years, as the case may be.

It means that repayment of the money will be spread over ten or twenty years instead of being raised by taxation to meet current expenditures.

To raise by taxation all the money as fast as it is needed to carry on Canada's share in winning the war, would be an unbearable burden upon the people.

It would mean that more than a million dollars a day would have to be raised right now.

But to raise money by selling Canada's Victory Bonds means that those of the next generation who will benefit by the sacrifices this generation is making;

—who will share in the freedom this generation is fighting for and largely paying for—will also pay their share.

And when you buy Canada's Victory Bonds you make a first-class business investment in a security that is absolutely safe, likely to enhance in value after the war, and bearing a good rate of interest.

You help the country by keeping open the British market for Canadian products and this helps the general welfare in which you share.

And again, every Canadian who buys a Victory Bond becomes a financial partner or backer of Canada in the war.

When you buy a Canada Victory Bond

you give a personal pledge that you are going to help to win the war.

Every man and woman in Canada can help to win the war by buying Canada's Victory Bonds. And Canada wants the personal, individual interest and co-operation of every man and woman in the country.

The buying of Victory Bonds by the whole people unites them in a determination to win the war.

Every purchase of Canada's Victory Bonds is a blow for freedom against the tyranny of German Kultur.

Every bond sold is a new guarantee that Canada is in the war to the finish, until victory is with the Allies and the world has been made safe to live in.

Every bond you buy is a new pledge that Canada will remain true to herself, the Empire, the Allies and to freedom's cause.

So it is both patriotic and good business to

## J. C. MCINTOSH GETS NOMINATION

WILL UPHOLD UNION BANNER IN NANAIMO FEDERAL RIDING CONTEST.

At the Unionist convention held at Duncan on November 15, Mr. J. C. McIntosh received the unanimous nomination as the fusion candidate for Nanaimo riding in the forthcoming Federal elections. Three names only were handed in, those being Mr. McIntosh, Major J. S. Harvey and Chief Justice Gordon Hunter, the balloting being as follows: Mr. McIntosh, 40, Major Harvey, 32; and Chief Justice Hunter 12. In accordance with the rules of the convention, the name of the Chief Justice was dropped and a second ballot taken, the result of which was: Mr. McIntosh, 52; Major Harvey, 32. The nomination was therefore made unanimous.

The convention opened in the morning at 11.30 o'clock, and Mr. J. W. Coburn, of the Nanaimo Win-the-War League, was elected chairman, with Mr. Hugh Savage as secretary. After some discussion as to the allowing of twenty-five delegates to the Great War Veterans' Association, it was decided that the original number of three to represent this body be adhered to. A credentials committee was appointed and scrutineers named, after which the convention adjourned for luncheon, reassembling at 1.30 o'clock.

When the afternoon session opened the Great War Veterans withdrew their request for twenty-five delegates in order that the harmony of the meeting should be preserved. By resolution, the Conservatives who had only twenty-three delegates present, and the Labor party which had but one, were given their full representation, the former of twenty-five and the latter of three. The nominations and balloting then followed.

### UNION MEETING IN MAHON HALL.

A well attended meeting was held at Ganges on Friday November 9th, when the electors of the islands were addressed by Mr. M. B. Jackson, M.P.P. It is estimated that about one hundred people attended, both ladies and gentlemen being present.

On the platform were Dr. W. H. B. Medd, president of the Liberal Association and acting chairman of the meeting; Mr. Edward Walter, president of the Conservative Association, and Mr. J. T. Collins. Both Dr. Medd and Mr. Collins addressed the meeting.

The sum total of the address delivered by Mr. Jackson was that if the Liberals and Conservatives would only form a union the end of the war would be hastened, but with two distinct parties, one pulling one way and the other another, no aim could be accomplished. Mr. Jackson gave his electors a chance to make complaints and wished to hear any suggestions they wished to make. This is the first time that the people of this electoral district have ever had the chance to do so in an open meeting.

Mr. Walter proposed that Mr. Jackson try and procure a shooting season for pheasants next year as they did a great deal of damage to the crops. A second matter was also brought forward, that of a new road across the divide between Ganges and Fulford.

Mr. Jackson urged the people to support a union government as the best and only means to bring the end of the war nearer, a thing which we owe to the boys at the front. A resolution was therefore moved and passed that a union candidate be supported regardless of politics.

A hearty vote of thanks was given to Mr. Jackson, Dr. Medd and the other speakers after which the meeting came to a close with the singing of the National Anthem.

### LIEUT. AIKENS WOUNDED.

On Friday, November 9th, Lieut. O. St. P. Aikens returned home to Ganges from the front. He left the island two and one-half years ago with the 17th Battalion and fought in the engagements on the Somme, where he received his commission on the field. While fighting with the First Canadian Division Lieut. Aikens was wounded by gunshot in the right shoulder on October 27th. He is the third son of Rev. and Mrs. Aikens, of Salt Spring Island.

The Tribunal Court met at Ganges for the first time last Thursday. Mr. Bullock and Mr. Castle are the exemption officers, and Dr. W. H. B. Medd was appointed by the military authorities to act in the capacity of captain.

## LOCAL NEWS IN BRIEF

Our cold cream heals chaps overnight.—Lesage, the druggist.

The chain teas organized some time ago at Ganges by the members of the I. O. D. E., realized the sum of \$84 for the Red Cross.

A Christmas entertainment and tree will be held under the auspices of the Sunday School of St. Paul's Presbyterian Church, in the basement of the church on Friday, December 21st.

Among the Victorians who were present at the Victory Loan demonstration in Berquist Hall last night were Messrs J. B. Warnicker, Scarlon, Fred McGregor, Kenneth Ferguson, Miss Bruce, Mrs. Leiser and Mr. and Mrs. S. P. Moody.

Mr. A. O. Wheeler was a visitor to Victoria on Wednesday, having been present at the Canadian Club luncheon tendered His Excellency the Governor-General. Mr. Wheeler came away much impressed with the optimistic spirit and the breadth of view displayed by His Excellency in his address. Mr. P. N. Tester, another Sidneyite, was also present on this occasion adding his quota to the popular demonstration to His Excellency.

In a letter received this week by Mr. James Critchley from Mr. William R. Armstrong, who in company with Mrs. Armstrong has spent the summer on the farm of their son in Saskatchewan, the latter states that crop conditions were not very favorable in that part of the Dominion this year, but the weather during the fall months had been exceptionally fine. Both Mr. and Mrs. Armstrong's sons, James and Wilson, who have been at the front practically since the beginning of the war have recently been in the hospital for treatment and according to last reports received from them they expected to be discharged in a few days.

## THE BOARD OF TRADE.

The regular meeting of the Board of Trade was held last Tuesday when a considerable volume of correspondence was handled, the railway freight question receiving a large share of attention. The secretary of the Victory Loan Committee reported on the various meetings that had been held and the final arrangements for Wednesday's meeting.

Several important local questions were under discussion and the secretary instructed to take further steps to advance the same. The Council of the Board were constituted a committee to interview Dominion candidates and lay before them several matters of local importance for the protection and development of our industries.

A remedy which will purify the blood, keep it in good condition by fortifying it against the attack of contagious disease and infections which so often come with injuries. It is a true alterative and eliminates from the blood all the impurities that clog the system. Nearly everyone needs a remedy of this kind before the cold weather arrives. ## A WORD ABOUT OUR DELIVERY SYSTEM

Owing to the very heavy demand for Flour, Feed and heavy goods at this time of the year we are forced to either put on another delivery car, entailing a very heavy expense, or make regular trips to each part of the district at stated times. All our routes are now mapped out for the entire week and this system we believe will enable us to do business at less delivery cost and at the same time give our customers better service, both of which are vitally essential to our business, as we appreciate the fact that the cheaper we can sell you the more business you will give us. We are here to serve you well. Phone us your orders and they will receive our most careful attention.
